Drunkenness or the Liquor Habit Positively Gured by administering Dr. Haines' Golden Specific.

Golden Specific.

It can be given in a cup of coffee or tea without the knowledge of the person taking it; is absolutely harmless and will effect a permanent and speedy cure, whether the patient is a moderate drinker or an alcoholic wreck. Thousands of drunkards have been made temperate men who have taken Golden Specific in their coffee without their knowledge, and to-day believe they quit drinking of their own free will. IT NEVER FAILS. The system once impregnated with the Specific it becomes an utter impossibility for the liquor appetite to exist. For full particulars, address GOLDEN SPECIFIC CO., 185 Racc st.
